REQUIREMENTS EXCHANGE AT UANDES

Easter Island

SPEECH THERAPY

North of Chile

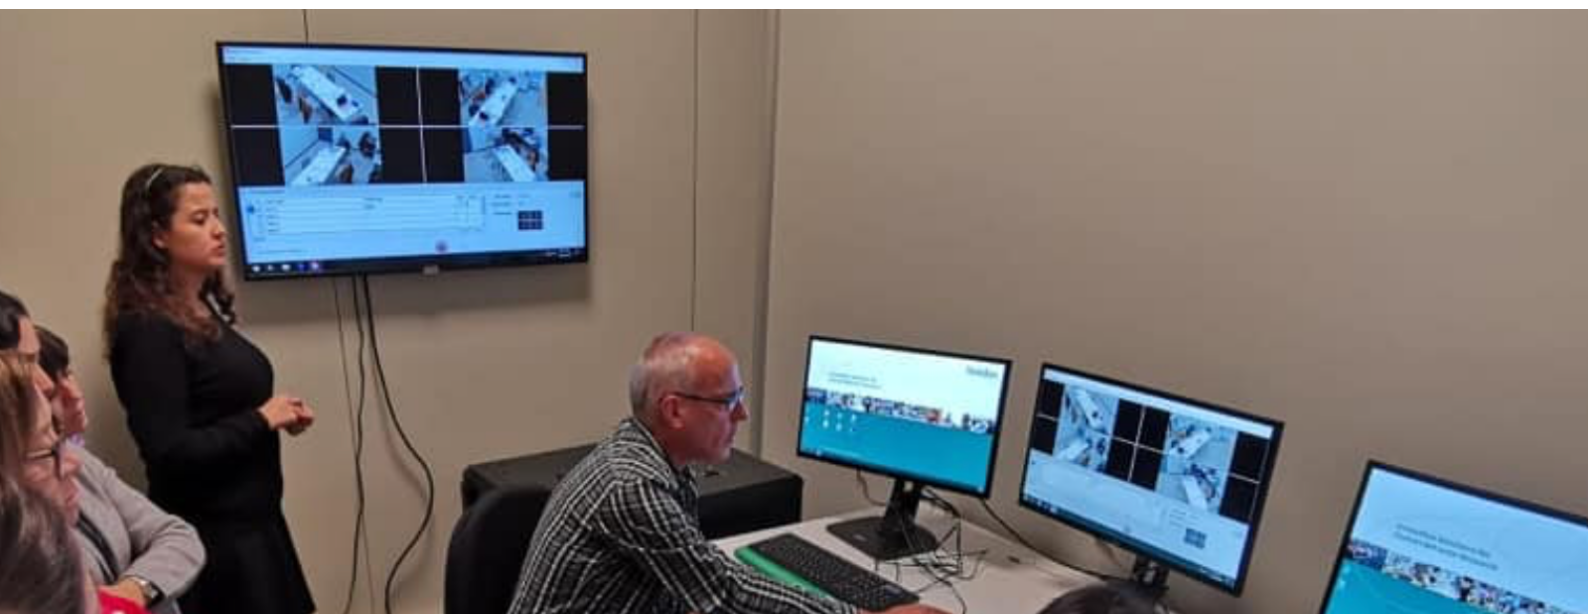

TRANSVERSAL REQUIREMENTS UANDES

These requirements are the same for all international students applying for an exchange at the Universidad de los Andes, whether for a semester or a year.

- > Passport valid throughout the entire duration of the international student's stay in Chile.
- > Letter of Commitment signed by the international student. This document will be sent to the student along with the link to complete the online application form. However, you can find it on the UANDES website, in the international section (<https://www.uandes.cl/internacional>).
- > ID size photo of the international student, which must be in color and recent.
- > Academic records of the international student from all his/her university years: the document must include the current year in which the international student is at his/her home university, subjects taken and corresponding grades.
- > Motivation letter written by the international student: extension of one page and must be written in English or Spanish (depending on which courses the student has selected to take at UANDES).
- > Selection of a maximum of 4 courses to study at UANDES.

All this information must be included in the Online Application Form that will be sent to the international students nominated to come to UANDES for an exchange. This form must be completed and sent by the student himself before the deadline:

- > For applications for an exchange during the first UANDES academic semester (March to July), the deadline for completing the form is: mid-November of the year prior to the exchange.
- > For applications to an exchange during the second UANDES academic semester (from August to December), the deadline to complete the form is: mid-April of the same year of the exchange.

SPECIFIC REQUIREMENTS

SPEECH THERAPY

These requirements are specific to coming on an academic exchange to the UANDES Speech Therapy School.

- > International exchange students can apply for any semester of the school year.
- > The Speech Therapy School will conduct a knowledge test during the first few weeks of classes to determine whether the student needs extra support or additional reading.
- > For theoretical and practical subjects, a white apron will be required. To find out what these courses are, please contact incoming@uandes.cl.
- > Language certificate:
 - > Spanish B2 level: for all those international students whose native language is not Spanish and who select subjects taught in Spanish.
 - > Spanish C1 level: for all those international students whose native language is not Spanish and who apply for an internship during the ninth and tenth semester.
- > For internships during the 9th and 10th semester:
 - > When applying, the international student should specify the area he/she would like to enter in the "Course Selection" section of the application form.
 - > The international student must send his/her Certificate of Criminal Record.
 - > The international student must send, in addition to his/her academic records, his/her academic curriculum so that the school can evaluate if the student has a sufficient base for the area of specialization requested.
 - > The international student must have approved the line of subjects of his/her grid associated with the area of specialization applied for.
 - > A previous Skype interview will be conducted with the international student applicant.
 - > The international student will have to take a previous knowledge test done by the Speech Therapy School, regarding the specialization selected.
 - > Hepatitis B vaccine with the three doses in force (not older than 5 years). In case of being older, the student must present a recent antibody count exam.
 - > Influenza Vaccine: only for peak periods.

The UANDES School of Speech Therapy will carry out an evaluation of the courses selected by the international students applying, along with a review of their Academic Records and may make changes if deemed necessary.
