REQUIREMENTS EXCHANGE AT UANDES

Easter Island

PHYSIOTHERAPY

North of Chile

TRANSVERSAL REQUIREMENTS UANDES

These requirements are the same for all international students applying for an exchange at the Universidad de los Andes, whether for a semester or a year.

- > Passport valid throughout the entire duration of the international student's stay in Chile.
- > Letter of Commitment signed by the international student. This document will be sent to the student along with the link to complete the online application form. However, you can find it on the UANDES website, in the international section (<https://www.uandes.cl/internacional>).
- > ID size photo of the international student, which must be in color and recent.
- > Academic records of the international student from all his/her university years: the document must include the current year in which the international student is at his/her home university, subjects taken and corresponding grades.
- > Motivation letter written by the international student: extension of one page and must be written in English or Spanish (depending on which courses the student has selected to take at UANDES).
- > Selection of a maximum of 4 courses to study at UANDES.

All this information must be included in the Online Application Form that will be sent to the international students nominated to come to UANDES for an exchange. This form must be completed and sent by the student himself before the deadline:

- > For applications for an exchange during the first UANDES academic semester (March to July), the deadline for completing the form is: mid-November of the year prior to the exchange.
- > For applications to an exchange during the second UANDES academic semester (from August to December), the deadline to complete the form is: mid-April of the same year of the exchange.

SPECIFIC REQUIREMENTS

PHYSIOTHERAPY

These requirements are specific to coming on an academic exchange to the UANDES Physiotherapy School.

- > International exchange students may apply for any semester of the school year, but always subject to an internal evaluation from the school.
- > International students applying to a clinical internship must be in their final year of their studies and have:
 - > Hepatitis B vaccine with the three doses in force.
 - > Influenza vaccine: only for peak periods.
 - > KINE UANDES' own uniform for general clinical practices.
 - > Specify the request in the "Course Selection" section of the application form.
- > International students who apply for any of the following subjects: Fundamentos de Pediatría, Kinesioterapia Cardiorrespiratoria and Kinesioterapia Geriátrica, must have:
 - > White apron.
 - > Hepatitis B vaccine with the three doses in force.
- > International students who apply to any of the following subjects: Morfología I and Morfología II, must have:
 - > White apron.
- > Language certificate:
 - > Spanish B2 level: for all those international students whose native language is not Spanish and who select subjects taught in Spanish.

The UANDES School of Physiotherapy will carry out an evaluation of the courses selected by the international students applying, along with a review of their Academic Records and may make changes if deemed necessary.
