# REQUIREMENTS EXCHANGE AT UANDES

Easter Island

**MEDICINE**

North of Chile

## TRANSVERSAL REQUIREMENTS UANDES

These requirements are the same for all international students applying for an exchange at the Universidad de los Andes, whether for a semester or a year.

- > Passport valid throughout the entire duration of the international student's stay in Chile.
- > Letter of Commitment signed by the international student. This document will be sent to the student along with the link to complete the online application form. However, you can find it on the UANDES website, in the international section (<https://www.uandes.cl/internacional>).
- > ID size photo of the international student, which must be in color and recent.
- > Academic records of the international student from all his/her university years: the document must include the current year in which the international student is at his/her home university, subjects taken and corresponding grades.
- > Motivation letter written by the international student: extension of one page and must be written in English or Spanish (depending on which courses the student has selected to take at UANDES).
- > Selection of a maximum of 4 courses to study at UANDES.

All this information must be included in the Online Application Form that will be sent to the international students nominated to come to UANDES for an exchange. This form must be completed and sent by the student himself before the deadline:

- > For applications for an exchange during the first UANDES academic semester (March to July), the deadline for completing the form is: mid-November of the year prior to the exchange.
- > For applications to an exchange during the second UANDES academic semester (from August to December), the deadline to complete the form is: mid-April of the same year of the exchange.

# SPECIFIC REQUIREMENTS

## MEDICINE

These requirements are specific to coming on an academic exchange to the UANDES Medicine School.

- > International exchange students may apply for theoretical subjects in any semester of the school year.
- > Courses available:
  - > Semesters 1 to 8 (from first to fourth year): international students may select among all the courses from the Medicine School grid, except those involving clinical fields: Semiología, Clínicas Médicas Integradas I, Clínicas Médicas Integradas IV and Clínicas Quirúrgicas Integradas.
  - > Semesters 9 and 10 (fifth year): International students may select among all the courses on the Medicine School grid.
- > To come on a medical rotation, the international student must specify in the application form the areas of rotation or services he or she is requesting and the specific date, in the section "Select your courses".
- > Applications from international students to the following areas of rotation or services will not be accepted (subject to changes made by the career):
  - > Dermatología.
  - > Ambulatorio (Atención Primaria and Medicina Familiar).
  - > Medicina Interna.
  - > Infectología.
- > Hepatitis B vaccine: only for international students coming on clinical rotations.
- > Language certificate:
  - > Spanish level B2: for all international students whose native language is not Spanish.

The UANDES School of Medicine will carry out an evaluation of the courses selected by the international students applying, along with a review of their Academic Records and may make changes if deemed necessary.
