ADDITIONAL REQUIRED DOCUMENTS

* HEALTH INSURANCE

Every student who comes to UANDES for an academic exchange must purchase a health insurance with international coverage valid throughout the entire stay in Chile and send a copy to incoming@uandes.cl.

* STUDENT VISA

Once received the Letter of Acceptance, the student must request a student visa, the main mandatory requirement for doing an academic exchange at UANDES.

The student must enter to Chile with this document, otherwise they will not be permitted to study in UANDES. In the case of internships in the health area, a student visa will be required when the stay is longer than 90 days, and when practical activities will be carried out with patients.

* CHILEAN ID

Once in Chile, the student must obtain a Chilean ID with a RUT number (chilean identification number).
